

# AQRP Monthly Technical Report

<b>PROJECT TITLE</b>	Refining ammonia emissions using inverse modeling and satellite observations over Texas and the Gulf of Mexico and investigating its effect on fine particulate matter	<b>PROJECT #</b>	22-019
<b>PROJECT PARTICIPANTS</b>	University of Houston	<b>DATE SUBMITTED</b>	9/15/22
<b>REPORTING PERIOD</b>	<b>From:</b> Aug. 22, 2022 <b>To:</b> Aug. 31, 2022	<b>REPORT #</b>	1

A Financial Status Report (FSR) and Invoice will be submitted separately from each of the Project Participants reflecting charges for this Reporting Period. I understand that the FSR and Invoice are due to the AQRP by the 15<sup>th</sup> of the month following the reporting period shown above.

---

## **Detailed Accomplishments by Task for reporting period**

### **Task 1: Preparation of comprehensive satellite, in situ, and modeling data for the iterative Finite Difference Mass Balance (iFDMB) method**

The UH-AQF team held initial discussions, began project planning and started developing the WRF-CMAQ modeling platform for the simulation year of 2019. As a part of this work, the UH-AQF team downloaded and began processing NAM reanalysis data for 2019.

### **Task 2: Development of the Reduced-Complexity CMAQ Model (RCCM) for NH<sub>3</sub> and refinement of NH<sub>3</sub> emissions using iFDMB with the combination of CMAQ model and CrIS satellite observations**

No activities during the reporting period.

### **Task 3: Investigation of PM<sub>2.5</sub> concentrations using the updated emission inventory**

No activities during the reporting period.

### **Preliminary Analysis**

None during the reporting period.

### **Data Collected**

NAM reanalysis data for 2019 have been collected.

### **Identify Any Problems or Issues Encountered and Proposed Solutions or Adjustments**

None during the reporting period.

### **Goals and Anticipated Issues for the Succeeding Reporting Period**

Continue developing the WRF-CMAQ modeling platform.

### **Detailed Analysis of the Progress of the Task Order to Date**

None during the reporting period.

**Do you have any publications related to this project currently under development? If so, please provide a working title, and the journals you plan to submit to.**

Yes       No

**Do you have any publications related to this project currently under review by a journal? If so, what is the working title and the journal name? Have you sent a copy of the article to your AQRP Project Manager and your TCEQ Liaison?**

Yes       No

**Do you have any bibliographic publications (ie: publications that cite the project) related to this project that have been published? If so, please list the reference information. List all items for the lifetime of the project.**

Yes       No

**Do you have any presentations related to this project currently under development? If so, please provide working title, and the conference you plan to present it (this does not include presentations for the AQRP Workshop).**

Yes       No

**Do you have any presentations related to this project that have been published? If so, please list reference information. List all items for the lifetime of the project.**

Yes       No

**Have any personnel changes occurred that were not listed in the original proposal? If so, please include a detailed description of the personnel change(s) below.**

Yes       No

**Are any delays expected in the progress of the research? If so, please include a detailed description of the potential delay below.**

Yes       No

**Describe any possible concerns/issues (technical or non-technical) that AQRP should be made aware of.**

None during the reporting period.

**Are you anticipating using all the available funds allocated to this project by the end date? If not, why and approximately what is the amount to be returned?**

Yes       No
